Applicant Serial No.: 10/676,773

### **REMARKS**

Claims 54-83 are pending in this application. Favorable reconsideration is respectfully requested in light of the following Remarks.

Applicant gratefully acknowledges that the Office action indicates that Claims 54-65 and 81 are allowable. For the reasons set forth below, it is respectfully submitted that Claims 66-80, 82 and 83 are also allowable.

The Office action rejects Claims 66-80, 82 and 83 under the judicially created doctrine of obviousness-type double patenting over claims 1-21 of U.S. Patent No. 5,885,662. The rejection is respectfully traversed.

A Terminal Disclaimer obviating the double patenting rejection is attached hereto. Withdrawal of the rejection is respectfully requested.

In view of the foregoing, Applicant respectfully submits that the application is in condition for allowance. Favorable consideration and prompt allowance of the application is earnestly solicited.

Should Examiner Rickman believe anything further would be desirable in order to place the application in better condition for allowance; the Examiner is invited to contact the undersigned attorney at the telephone number listed below.

It is believed that any additional fees due with respect to this paper have already been identified. However, if any additional fees are required in connection with the filing of this paper, permission is given to charge account number 50-3145 in the name of Honigman Miller Schwartz and Cohn LLP.
